## Eucharistic Celebration Of The Twelfth Sunday In Ordinary Time

In today's Gospel, we hear Jesus calm the raging sea as his disciples cling to the storm-tossed boat. The disciples were terrified that they would die, but Jesus suggests that their faith should have reassured them. Many of us can probably recall a time when our father came to our rescue, protecting or supporting us, making everything all right. Today, we honor our dads, our grandfathers, godfathers, uncles, and all who have acted as fathers in our lives. May their protection and constancy be a model of God's care for us.
